YOUR DINING, YOUR WAY

Here at the George we do things a little differently. Instead of traditional restaurant to dine in, we offer all our guests the option to order from any of the local eateries, bring the food to us and let us dish up and serve you your dinner in YOUR dining room.

You can enjoy food from the following restaurants, all of which are featured on a leaflet in your room, along with your food choices. Hung's Chinese, The Bengal Tiger (Indian) & Zest (pizza).

As a guest what will you have to do?

- You can order directly with the takeaway or we can do this for you at the Reception located on the ground floor.
- Collection must be made with all takeaways no more than a two minute walk away.
- Upon returning to The George, kindly present your takeaway to a team member who would be pleased to take it to the kitchen and plate up your meal for you.
- Take a seat in YOUR Dining Room and we will serve you your dinner.

There are also a number of wonderful dining spots in South Molton that may tickle your taste buds; head over to our Eating Out page to find out what South Molton has to offer.
